

SLA Policy Reference

Company Support SLA Targets

Priority Levels and Response Targets:

High Priority: First response within 4 hours, resolution within 24 hours

Medium Priority: First response within 8 hours, resolution within 48 hours

Low Priority: First response within 24 hours, resolution within 72 hours

Customer Satisfaction Policy:

All priority levels must meet or exceed the published industry benchmarks

Refer to the external benchmark API for the current target values per priority

Targets are reviewed quarterly and aligned to industry research firm data

Compliance Definitions:

Compliant: Both satisfaction and response time meet targets

At Risk: One metric within 10 percent of target threshold

Non-Compliant: Either metric significantly misses the target

Reporting: Monthly benchmark review required
